

Hallmark Countdown to Christmas

B I N G O

Falling for longtime neighbor	Snow ball fight	The almost, interrupted kiss	Visit to hometown that is inevitably extended	Big career opportunity they are waiting to hear about
Meaningful moment baking or cooking	Special feelings when finding or decorating a tree	Snow falls when they start kissing	Turns out love interest is a prince or princess	Dumps fiancé for long lost love
Car breaks down	Rival becomes love		At least one main character with a deceased parent	An event near the end that requires formal attire
A Christmas movie with cookie decorating	Town is famous for something Christmas related	Snowstorm prevents return home	Outsider invited to put on tree topper	Hot cocoa is consumed
Female slips and is caught by male interest	Holiday cookie bake off	Sitting by the fire in a snowstorm	Realizing this person is the best Christmas gift of all	Character has been hurt
